### Plan Renewal Date: 01/01 2024

Administered by: Cigna Health and Life Insurance Company

This material is for informational purposes only and is designed to highlight some of the benefits available under this plan. Consult the plan documents to determine specific terms of coverage relating to your plan. Terms include covered procedures, applicable waiting periods, exclusions and limitations. Receiving regular dental care can not only catch minor problems before they become major and expensive to treat - it may even help improve your overall health. Gum disease is increasingly being linked to complications for pre-term birth, heart disease, stroke, diabetes, osteoporosis and other health issues. That's why this dental plan includes **Cigna Dental WellnessPlus<sup>SM</sup>** features. When you or your family members receive any preventive care service in one plan year, the annual dollar maximum will increase in the following plan year. When you or your family members remain enrolled in the plan and continue to receive preventive care, the annual dollar maximum will increase in the following plan year, until it reaches the level specified below. Please refer to your plan materials for additional information on this plan feature. **Your plan allows you to see any licensed dentist, but using an in-network dentist may minimize your out-of-pocket expenses.**

<b>Non-Network Reimbursement</b>	For services provided by a non-network dentist, Cigna Dental will reimburse according to the Maximum Reimbursable Charge. The MRC is calculated at the 90th percentile of all provider submitted amounts in the geographic area. The dentist may balance bill up to their usual fees.

<b>Alternate Benefit Provision</b>	When more than one covered Dental Service could provide suitable treatment based on common dental standards, Cigna HealthCare will determine the covered Dental Service on which payment will be based and the expenses that will be included as Covered Expenses.

There is no additional charge to participate in the program. Those who qualify can receive reimbursement of their coinsurance for eligible dental services.
