Claim Submission & Reimbursement

What is Direct Settlement? Refers to arrangements Aetna has established with leading hospitals and healthcare providers throughout the world to pay these facilities directly for any covered expenses.

Direct settlement process:

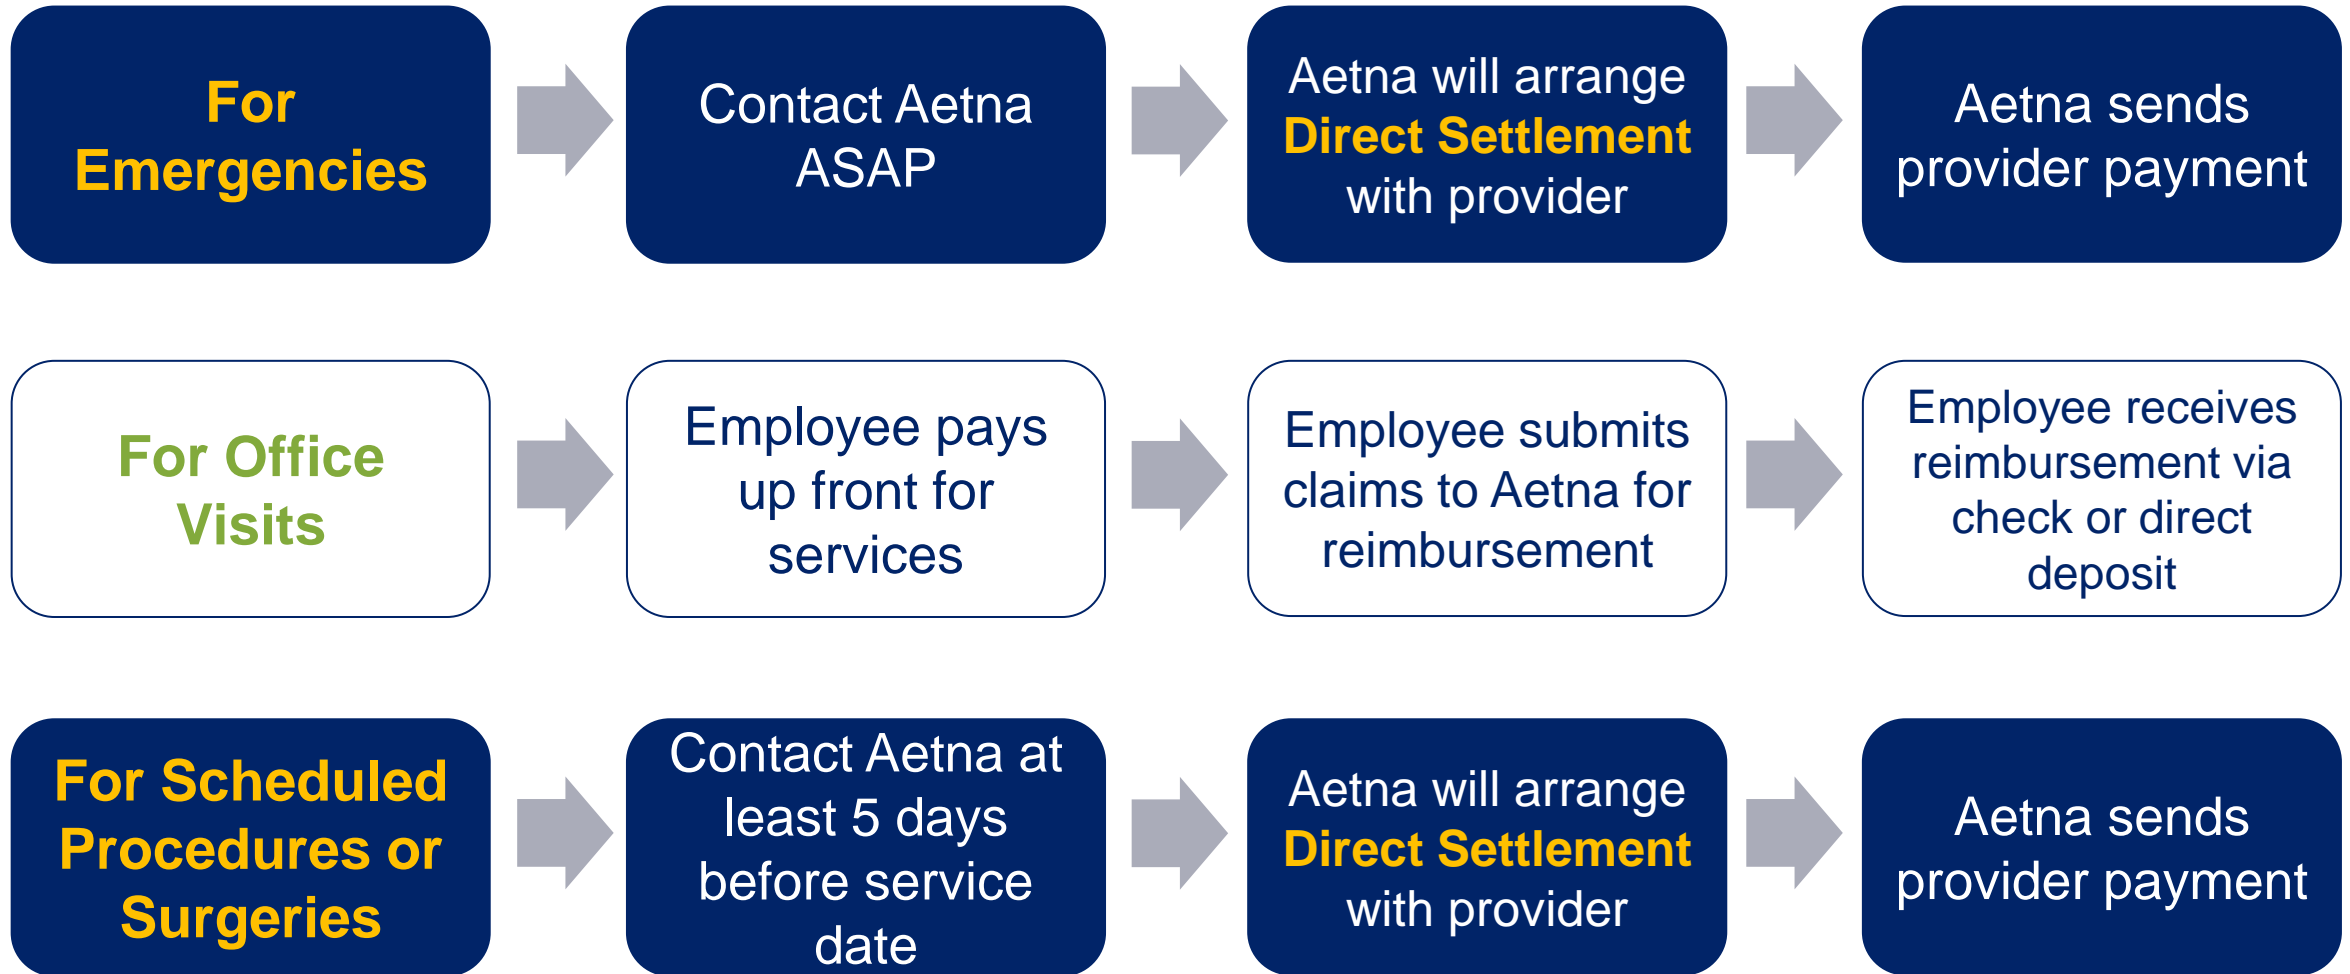

- Select a direct settlement provider from Aetna's online provider directory or contact Aetna Member Service Center at the number on your member ID card
- Contact the healthcare provider before receiving services to confirm that direct settlement arrangements can be made for the specific treatment
- At least 5 days prior to your appointment, submit a request to start the direct settlement process

Gives you the convenience of not having to pay for eligible expenses up front and then filing claims for reimbursement. Eases the burden on your wallet.
