

# Scott D. Gallett

Vice President, Marketing, Public Relations,  
Communications, and Government Affairs

Scott D. Gallett was named Vice President Marketing, Public Relations, Communications, and Government Affairs in January 2008. In this role Gallett oversees all marketing, public relations, internal communications, and government affairs activities for the company.

Prior to his current role he served in various positions of increasing responsibility in sales and marketing in the company including: Vice President of Sales, Turbo Systems; Director of Sales, Emissions Systems; Director of Sales, TorqTransfer Systems; and Director of Sales, Morse TEC.

Prior to joining BorgWarner in 1991, Mr. Gallett held various sales positions with the Torrington Company.

Mr. Gallett holds a bachelor's degree in mechanical engineering from Worcester Polytechnic Institute.

He is a member of the BorgWarner Foundation board and has served as past Chairman for the U.S. Coalition for Advanced Diesel Cars. He also served as past Chairman of the Government Affairs Committee for the Motor Equipment Manufacturer's Association (MEMA).
